DIPE STAMP ONE

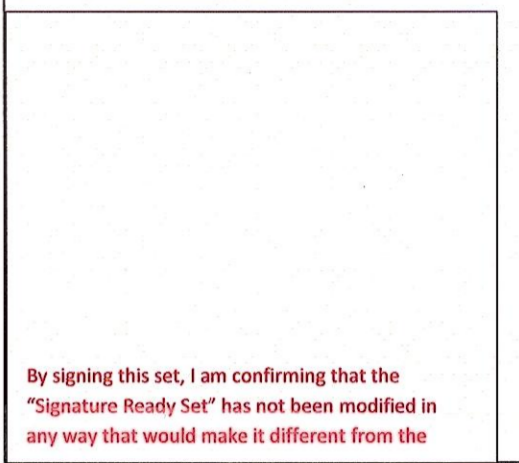

Prince George's County Maryland
Department of Permitting, Inspections and Enforcement
SIGNATURE READY SET

The Department of Permitting, Inspections and Enforcement has completed a review of this document for code compliance. As required by State Code, the design professional(s) responsible for the preparation and content of this document must provide a record copy of these documents with their original seal, signature and date.

THIS DOCUMENT MAY NOT BE MODIFIED IN ANY WAY, OTHER THAN TO AFFIX A SEAL, SIGNATURE AND DATE IN THE SPACE PROVIDED.

The signed "Signature Ready Set" will give the electronic document from which it was created the same force and impact as if the electronic document were signed and sealed.

USE STAMP FOUR FOR SITE-ROAD PLANS ONLY

STAMP FOUR

Prince George's County Maryland
Department of Permitting, Inspections and Enforcement
APPROVED PERMIT SET (CONDITIONAL APPROVAL)

The Department of Permitting, Inspections and Enforcement has completed a review of this document for code compliance. As required by State Code, the design professional(s) responsible for the preparation and content of this document must provide a record copy of these documents with their original seal, signature and date.

Project Name:
Case Number (Permit #):
Case Type:
Issuance Date:
Address:
Lot(s) and Block(s):

Conditions of Approval

- The above approval is conditioned upon the following:
- This represents complete plan approval by DIPE for roadway and drainage systems included in the plan (storm drain, stormwater management, paving, sidewalk, curb/gutter, pavement marking, signage, signals and other roadway appurtenances, grading).
 - This DOES NOT REPRESENT A PERMIT TO CONSTRUCT.
 - Additional outstanding permit requirements, including payment of fees and posting of bonds must be satisfied for final permit issuance.
 - If a permit for this work is not secured within 6 months of this approval, this approval expires and all previously paid permit fees are forfeited. In this instance, the permittee shall file for permit extension and pay the required filing fees.

USE STAMP FIVE FOR SITE-ROAD PLANS ONLY

STAMP FIVE

Prince George's County Maryland
Department of Permitting, Inspections and Enforcement
APPROVED PLAN SET
SD-SWM ONLY

The Department of Permitting, Inspections and Enforcement has completed a review of this document for code compliance. As required by State Code, the design professional(s) responsible for the preparation and content of this document must provide a record copy of these documents with their original seal, signature and date.

Project Name:
Case Number (Plan Approval #):
Case Type:
Issuance Date:
Address:
Lot(s) and Block(s):

Conditions of Approval

- The above approval is conditioned upon the following:
- This approval includes plan approval by DIPE for storm drain and stormwater management systems ONLY.
 - Roadway systems (paving, sidewalk, curb/gutter, pavement marking, signage, signals and other roadway appurtenances), grading and permitting require further review.
 - This approval does NOT represent a permit to construct.
